

### ADDITIONAL JUROR QUESTIONNAIRE

To the Juror:

You have been selected for potential service on a jury. The case for which you have been called involves allegations of a sexual nature. In order to select a fair and impartial jury, the jury selection process requires that certain items of information be collected from each potential juror. In this case that may include information which might be embarrassing to you if you were asked these questions in open court. Your answers to this questionnaire are not public information. The judge sees your answers, and may share those answers with the attorneys for the parties but only after first asking for your permission to do so. Jury service is a privilege and an obligation of citizenship which should not be taken lightly. Trial by jury is central to our system of justice, and its successful operation requires the intelligent and unbiased judgment of qualified jurors.
